

II. REMARKS

Comments regarding the amendment to the title

The Notice of Allowance, mailed March 24, 2010, indicated that the title was changed by examiner's amendment to:

-- Method for identifying terpene syntase --.

Applicants note that there is a typographical error in the examiner's amendment to the title. Applicants further note that allowed claim 1 recites "A method of identifying a terpene synthase." The above-noted amendment to the title reflects the language of allowed claim 1. As such, Applicants respectfully request entry of the above-noted amendment to the title.

No new matter is added by the above-noted amendment to the title.
